

ITQ participates in SATTE 2019

InterGlobe Technology Quotient participates in SATTE 2019, from 16th-18th January at India Expo Mart, Greater Noida. We showcased our travel technology solutions at Booth B-85, Hall no- 10.

Being South Asia's leading travel trade show, SATTE is an excellent platform for ITQ to understand the needs and requirements of potential clients from travel and trade industry as well as forge new business partnerships.
