

Travelport Wins The Most Innovative Travel Technology Partner Award 2016

February 02, 2016

Travelport voted the Most Innovative Travel Technology Partner 2016 at the TTJ Jury Choice Awards.

Travelport, a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$8 trillion global travel and tourism industry, has been conferred the title of Most Innovative Travel Technology Partner 2016 at the first ever Jury Choice Award, held at The Grand Hotel, New Delhi.

The award was presented in recognition of Travelport's contribution in bringing ground breaking technological innovation to the travel industry in the last year.

Commenting on this event Sandeep Dwivedi, Chief Commercial Officer, InterGlobe Technology Quotient, said, "The year 2016 could not have started on a better note for us. I thank the entire travel fraternity and eminent Jury members for recognizing the value addition and the technological excellence we have delivered for the travel industry. We remain committed in our quest for technological enhancements by investing in new initiatives to ensure more innovative offerings for our customers."
