

PRESS RELEASE

ITQ Wins Two Prestigious Industry Awards This Year

ITQ receiving 'Most Outstanding Travel Technology Provider' Award at Travel and Hospitality Awards

ITQ receiving India Travel Awards – South for 'Best GDS' .

May 15th 2017: InterGlobe Technology Quotient (ITQ) has been awarded two prestigious industry accolades this Year. On April 14th 2017, the company won 'Most Outstanding Travel Technology Provider' award at 3rd Travel & Hospitality Awards ceremony and on May 2nd 2017, received the 'Best GDS' title in the India Travel Awards-South.

With the back to back wins, ITQ through Travelport is establishing this year its stand as the best technology provider in the Travel commerce domain. Coupled with the wins, it has now launched a new version of Travelport Smartpoint 7.3 -which is enabling travel agents worldwide to operate in a smoother, easier and faster way.

The awards are testimony to the priceless headway, Travelport is making in the travel Industry. Be it for the online travel agencies, corporates, destination management companies, travel management companies or offline agencies, it has made travel selling much faster, smarter and easier through its benchmarking innovations in the field of travel technology.

Commenting on this, Sandeep Dwivedi, Chief Commercial Officer, InterGlobe Technology Quotient said, "This award is a token of appreciation that the travel fraternity has bestowed on us. It is with their continued feedback and support we keep on introducing advanced technology to reinstate finesse in our services. We continue to work towards making the travel commerce industry more organized, smart and innovative."
