## Travelport announces new hotel content deal with Treebo Hotels

**June 30<sup>th</sup> 2017:** Travelport and Treebo Hotels, India's 3rd largest hotel chain, have today announced a new partnership, the inaugural GDS deal for the hotel chain. Headquartered in Bangalore, Treebo Hotels operate across over 34 Indian cities, and has become a key player in the domestic hospitality industry.

Under its debut agreement, Treebo Hotels will join over 650,000 unique hotel properties available through Travelport's award winning Travel Commerce Platform and its distributor in India, ITQ. Enabling Indian and International corporate travelers and travel agencies in over 180 countries, to have real-time access to the chain's full property inventory. Travelport-connected agencies across the globe will now be able to take advantage of Travelport Smartpoint to search, view and make booking decisions based on travel choice information beyond just rate and availability.

Sidharth Gupta, Co-Founder of Treebo Hotels said: "We are delighted for striking our inaugural GDS partnership with Travelport and its recognized distributor in India, ITQ. We are confident that this collaboration will empower Travelport-connected agents to choose quality accommodation from across Treebo properties in India during their business visits across major cities and will significantly support our business expand its presence across the globe."

Niklas Andreen, Vice President and Managing Director, Global Hospitality Commerce at Travelport commented: "We are excited to partner with Treebo Hotels, one of India's key hotel suppliers and our collaboration with Treebo Hotels will help further establish their position within India's budget accommodation space. Their wide variety of destinations, accommodation types and price ranges greatly enriches Travelport's unrivalled choice of global travel content; providing agents and partner companies with countless opportunities to check availability of inventory and make bookings."
