

PRESS RELEASE

Travelport Awarded 'Best GDS' title at South India Travel Awards 2018

May 15th 2018: InterGlobe Technology Quotient receives 'Best GDS' award on behalf of Travelport at South India Travel Awards 2018 on 14th May 2018 in Bengaluru. With this iconic win Travelport and ITQ have created history by receiving it for the 5th time in a row.

This excellent win is an acknowledgement of our best services and for the continuous innovation we make to redefine the way travel is searched, booked and sold.

Commenting on this achievement Sandeep Dwivedi, Chief Operating Officer, InterGlobe Technology Quotient, said: *"We are delighted to be recognized by our industry peers for our innovation and technological excellence in delivering world class solutions. This award reflects the investment that Travelport has put into its Travel Commerce Platform and its commitment to customers. This achievement is a testament to the hard work of ITQ and Travelport teams. We are really excited and committed to bringing in more benefits and ground breaking technology for our partners."*

About ITQ

About Travelport

Travelport is a leading Travel Commerce Platform, focused on providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry. The platform enables travel agencies, corporations and developers to search, share, buy and sell travel. This increases profitability and drives commercial success for every customer within this B2B travel network.

Travelport aggregates travel content from hundreds of thousands of the world's leading travel providers. This includes 400+ airlines including leading international low cost carriers and ancillaries, 650,000+ hotel properties, 35,000 car rental locations, 61 cruise & tour operators and 12 rail booking providers.

In 2014, Travelport processed \$90 billion worth of travel spending by issuing 122 million air tickets as well as selling 63 million hotel room nights, 85 million car rental days and other travel products.

Travelport's unique approach drives value creation and opportunity for travel businesses, with each solution inter-connecting and complementing each other thereby answering and predicting the unmet needs of our industry.
