InterGlobe Technology Quotient participates in SATTE 2019

Jan 14, 2019: InterGlobe Technology Quotient is all set to participate in SATTE 2019, which will be held from 16th-18th January 2019 at India Expo Mart, Greater Noida. We will showcase our products and services at Booth B-85, Hall no- 10.

Being South Asia's leading travel trade show, SATTE is an excellent platform for ITQ to bring forward its cutting-edge travel technology solutions, understand the needs and requirements of potential clients from travel and trade industry as well as forge new business partnerships.

Following products will be showcased at this B2B event:

- **Travelport Smartpoint:** The latest version 8.2 is an ultimate travel technology solution for today's connected digital age. It offers a wide range of travel content and is packed with features that power better performance and enable you to create the perfect personalized service for your travel customers.
- **ITQ Financial:** A web interface integrated with Travelport Smartpoint (Galileo) and powered by Tally™, ITQ Financial is an online back-office travel accounting software that automates the accounting processes for Travel Management Companies (TMCs), Travel Agencies and Online Travel Agencies (OTAs) seamlessly.
- **VR3:** It is an application and a consolidated solution for Reissue, Refund, Revalidation and Void. A user can launch this application and continue with the desired functionality within the workflow on GDS due to interface capability available on Travelport.
- **Universal API:** Travelport Universal API provides access to the aggregated content, availability, pricing and functionality from multiple sources using a single interface.
- **CBT/SBT:** Self Booking Tool and Corporate Booking Tool are two highly advanced products that can streamline work and help in easy management of bulk bookings as per the defined corporate policy.
- **Galstar:** A plug & play white label solution, Galstar makes your business come online. User-friendly and easy-to-use, this online (B2C & B2B) Booking Engine offers integrated Galileo content thereby helping your customers make their booking within few minutes.

Sandeep Dwivedi, Chief Operating Officer at ITQ, commented, "*SATTE is a great platform for businesses in travel and tourism industry to build and strengthen networks. ITQ is well prepared to display its technologically advanced products and services to meet the diverse requirements of our clients. We are absolutely excited to interact and share knowledge with the innovators and experts of this industry.*"
