

SATTE 2015, South Asia’s Largest Travel Show and now in its 22nd edition, commenced today at Pragati Maidan.

Supported by Ministry of Tourism and in association with World Tourism Organization (UNWTO), SATTE 2015 is represented by the Ministry of Tourism, top travel associations from the domestic and global fronts.

The 3 day event will have eminent business leaders share their views on the tourism and hospitality industry and the impact that India can make in this sector. International participants like the Philippines, Swedavia-Sweden Airports, Mexico Tourism and Central Asia have harnessed this platform and ventured into India for the first time.

InterGlobe Technology Quotient has been also participated in the SATTE. We showcase our expertise in the GDS domain in the Indian market. It is an excellent platform to interact with the travel partners and mutual knowledge sharing on the industry.
