

LOT POLISH AIRLINES LAUNCHES NDC PLATFORM WITH TRAVELPORT+

Multi-Year Agreement Expands Airline's Digital Distribution with Travelport's Subscribers

LONDON UK, February 12 – Travelport, a multi-source content provider that powers travel bookings for hundreds of thousands of travel suppliers worldwide, and LOT Polish Airlines, the flag carrier of Poland and a modern carrier connecting Central and Eastern Europe with the rest of the world, today announced a multi-year content agreement. The deal means that LOT's NDC content will be available to Travelport-connected travel agencies and travel management companies using Travelport+.

The agreement builds on LOT Polish Airlines' long-standing relationship with Travelport, which dates back more than 30 years. With NDC implementation set for delivery in Q2 2026, travel agents using Travelport+ will gain access to un-surcharged content and the full range of LOT's offerings across their extensive network connecting Central and Eastern Europe with destinations worldwide.

Agents using Travelport+, the modern retailing platform built for agents, can view and compare the full range of fares and services from LOT Polish Airlines seamlessly in a single view, improving their ability to easily and quickly book the best offers for travelers. And with industry-leading search speeds, now 23% faster and down to just 0.84 seconds, agents can use Travelport+ to book more, grow margin and increase revenue.

Arkadiusz Gawryluk, Digital, Distribution and Loyalty Director at LOT Polish Airlines said: "Making LOT's NDC content available on Travelport's platform expands the reach of our modern distribution strategy and gives travel agencies convenient access to our full offer, including fares and ancillary services. This implementation is an important step in the evolution of our NDC capabilities, reinforcing our commitment to innovation, efficiency, and seamless cooperation with our partners."

"LOT Polish Airlines has been a valued partner for over three decades, and today's announcement affirms our shared commitment to providing travel buyers with comprehensive access to LOT's competitive content," **said Damian Hickey, Global Head of Travel Partners at Travelport.** "Travel agents using the robust technology of Travelport+ will benefit from enhanced opportunities to serve customers traveling to and through Central and Eastern Europe with LOT's extensive network and improved content offerings."

###

About LOT Polish Airlines

LOT Polish Airlines is the flag carrier of Poland and one of the world's oldest airlines, operating since 1929. As a modern carrier, LOT connects Central and Eastern Europe with the rest of the world, offering scheduled service to destinations across Europe, North America, Asia, and the Middle East. A member of Star Alliance, LOT provides passengers with access to a global network and has established itself as a strategic airline in the Central and Eastern European market. The airline is committed to digital innovation and delivering enhanced travel experiences for its customers.
