New Delhi, Dec 23, 2013 (STAT):- InterGlobe Technology Quotient (ITQ), a strategic business unit of InterGlobe Enterprises and the official distributor of Travelport Galileo and Travelport Worldspan, through Calleo Distribution Technologies, has been awarded the "**Best GDS of the year**" award for the third consecutive year. The award was presented at 61st Annual TAAI Travel Awards ceremony which was held in Bangalore on December 14, 2013.

This prestigious award is based on the votes of the members of Travel Agents Association of India (TAAI) and is an enormous recognition by the industry and customers.

Delighted at winning **Sandeep Dwivedi, Chief Commercial Officer, InterGlobe Technology Quotient** said, "The achievement at TAAI Travel awards is attributed to not only our technological superiority and investment in innovation but also the hard work of all the team members of ITQ. ITQ has been rewarded for upholding high standards of service, support, relationships and expertise. This achievement reflects and further reinforces our commitment to delivering the best in class technology, product and service to the industry and our customers."

Mr Dwivedi further added, "The achievement of being recognized as the 'Best GDS of the year' for third consecutive year by Annual TAAI Travel Awards truly showcases the confidence and support our customers have in India as well and the exceptional efforts and innovations our team has made over the past year."

This award follows on the heels of Travelport being named the best GDS in the Asia Pacific region at the Annual TTG Travel Awards for the fifth consecutive time.
