

Travelport voted 'Best GDS' for North at India Travel Awards on 8 December 2015

09 December 2015

Travelport has been voted the "Best GDS" title for North at the India Travel Awards on 8th December 2015 at Crowne Plaza, Jaipur. The leading Travel Commerce Platform has been cumulatively voted as the best by the entire travel fraternity across all regions in India this year.

It is great news as Travelport bags its 7th most prestigious award across India and Asia Pacific. It has been conferred the 'Best GDS' Award across four regions in India - a reflection that defines it as the best Pan-India. Earlier this year, Travelport Rooms and More was awarded the 'Best Technology Provider' at India Hospitality Awards South & West. Travelport was also awarded the 'Most Outstanding Travel Technology Provider' at TnH Awards, and the 'Best GDS' for the 7th successive year at TTG Travel Awards, Asia Pacific.

Commenting on this achievement Mr Sandeep Dwivedi said, Chief Commercial Officer, Interglobe Technology Quotient, said, "We are grateful to all the travel partners for their trust in our expertise and believing us as the best. I would like to assure the travel fraternity that we will continue to serve and delight them through our exclusive range of innovative products and technology. We stand committed in our endeavour of making travel technology more easy and accessible by introducing efficient products that ease operational facility to the fullest."
