

Travelport and CEE Travel Systems announce a new agreement with Student Agency

January 11, 2016

Travelport (NYSE:TVPT), a leading Travel Commerce Platform, has announced a new multi-year agreement between its local distributor, CEE Travel Systems and STUDENT AGENCY, the Czech Republic's largest full-service travel agency and online travel service provider. The new agreement will see the two companies continue to work together in the Czech Republic and Slovakia, serving both domestic and international travellers.

As part of the agreement, STUDENT AGENCY will continue to process its travel bookings through Travelport's Travel Commerce Platform and provide its users with real-time search, pricing, booking, payment and integrated itinerary creation for travellers. STUDENT AGENCY will also benefit from Travelport Smartpoint, the industry-leading agency point of sale solution that enables access to Travelport's unrivalled travel content, including branded fares and ancillaries from the world's leading national and low cost carriers.

Vera Janicinova, Airline Business Director at STUDENT AGENCY Student, said: "Renewing the agreement with Travelport was a priority for our business and we are happy to have extended over the next few years. Travelport's unique products enable us to deliver content and services in new ways, resulting in greater choice, lower prices and convenience for our customers."

Bohuslav Santrucek, Executive Director for CEE Travel Systems – Travelport's representative for Czech Republic and Slovakia, added: "We are very pleased to have STUDENT AGENCY as one of our customers. STUDENT AGENCY is undoubtedly one of the most renowned travel industry players in Central Europe and we are glad they have chosen Travelport to help them deliver the best service possible to its customers."
