Golden Peacock Awards, instituted by the Institute of Directors (IOD), India in 1991, recognises organisations that have significantly added to the understanding and practice of risk management. These awards are regarded as a benchmark of Corporate Excellence worldwide. Every year, the nomination committee receives around 1000 applications for various categories of awards which are evaluated following a three-tier evaluation process. The Jury that selected the winner of the 'Golden Peacock Award

for Risk Management' for 2018, was chaired by Justice (Dr.) Arijit Pasayat, Chairman, Golden peacock awards Jury, former Judge, Supreme Court of India.

Mr. Alok Mehta, Group Chief Corporate Governance, InterGlobe Enterprises said *"It has been our endeavour at InterGlobe to initiate the thought leadership around risk management culture and institutionalise it across all the group companies, keeping in view the rapid business growth and increasing business complexities. Our self-governance system provides assurance to the business, that all risks, controls & regulatory compliances, are effectively managed to ensure transparency and accountability while facilitating maximum governance with less government."*

Mr. Anil Parashar, President & CEO, InterGlobe Technology Quotient said, *"It gives me great pleasure that ITQ has been honoured with the Golden Peacock Award. This is truly a proud moment for all of us. We highly value transparency and accountability in our work and owing to our strong self-governance system, we assure our clients that all risks, controls and regulatory compliances are managed in an effective way. Backed by our diligent and expert team members, we always strive to provide maximum governance."*
