

PRESS RELEASE

InterGlobe Technology Quotient at SATTE 2018

Jan 25th 2017: SATTE is one of the most highly regarded events of the travel industry in South Asia where InterGlobe Technology Quotient (ITQ) looks forward to participating in 2018, like every year. ITQ as a leader in delivering groundbreaking technology aims to bring the latest solutions. This year, we plan to demonstrate unique features that make us technology leader. Catch us at 2018 SATTE Show in Pragati Maidan from January 31st - February 2nd at Booth# D84, Hall 10 and know us better. Here is a glimpse of the products on showcase:

- ❖ Travelport Smartpoint version 7.5 for PCI DSS compliance, an IATA mandate compliance for all travel agents.
- ❖ 250 airlines on our premium Merchandising Suite for more ancillary sale.
- ❖ Streamlined sale of IndiGo on Travelport- the first ever direct sale option of LCC in the history of Indian Global distribution system.
- ❖ ITQ Financial and VR3 (Void, Reissue, Refund, Revalidation) - two exceptional introductions enabling travel agencies to automate their processes in financial accounting as well as reissuing and refunding tickets.
- ❖ Complete and accurate hotel shopping and booking system. Travelport as the fourth largest aggregator of Hotel content worldwide, travel agencies have an ocean of options to book.
- ❖ Galstar and uAPI - developed to ease the online workflow of online travel agents, including the agencies that are aspiring to go online.
- ❖ Self Booking Tool and Corporate Booking Tool are two highly advanced products that can streamline work and help in easy management of bulk bookings.

At the event, we also intend to depict the core value of ITQ as a one-stop-shop for advanced travel technology that motivates new age businesses to contact us and understand our products and services. SATTE gives us the platform where we can additionally get in touch with our clients and the sector to populate our technology and help them reach optimum growth. We are excited to meet innovators of this sector and participate in the exquisite mix of digitalization and travel technology.

Sandeep Dwivedi, Chief Operating Officer, ITQ comments, “We are committed to bring best-in-class futuristic technology to address growing industrial demand. We already have products that are right now catering to smarter travel business management, but we aim to go a step forward and portray ourselves as leader in travel technology innovation through advanced solutions.”

Join us at SATTE 2018 and get a taste of what the technological revolution holds.

About ITQ

InterGlobe Technology Quotient (ITQ), a strategic business unit of InterGlobe Enterprises is a leader in aviation, hospitality and travel related services, contributing to the growth of market through innovation and service leadership by building businesses and represent global brands that deliver quality and value.

About Travelport

Travelport is the technology company which makes the experience of selling, buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel marketplace.

Travelport has a leadership position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides critical IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.3 billion in 2016, Travelport is headquartered in Langley, UK, has approximately 4,000 staff and is represented in 180 countries and territories.
